1-Tap "Call Patient"

Clicking Call Patient announces token in waiting area, updates reception screen, and unlocks patient clinical notes.

Instant Past History

View past prescriptions, vitals, prior surgeries, and chronic conditions in a small overlay without leaving current screen.

Auto Billing Hand-Off

Completing consult routes fees to reception desk as Unpaid Billing. Zero manual billing communication needed.

FRONT DESK SUITE

Front Desk Operations & GST Invoicing

Front Desk & Accounts

Accelerated check-in with AI gender detection, dual payment counters, and instant WhatsApp dispatch.
